INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Washington, D.C. 20231

Sir:

Pursuant to 37 C.F.R. §§ 1.97-98 and in accordance with the duty of disclosure under 37 C.F.R. §1.56, Applicant submits herewith the references listed on the attached Form PTO-1449 to the Examiner such that they may be considered and made of record in the above-identified application. A copy of each reference is enclosed.

The items identified in this IDS may or may not be "material" pursuant to 37 CFR §1.56, and the submission thereof by Applicants shall not be construed as an admission that any such patent, publication or other information referred to therein is material or considered to be material (37 CFR §1.97(h)), or even qualifies as "prior art" under 35 USC §102 with respect to this invention unless specifically designated by Applicants as such.

The filing of this IDS shall not be construed to mean that a search has been made or that no other material information, as defined in 37 CFR §1.56, exists.

No fee is believed due in connection with this transmittal. However, if any fee is due, kindly charge the appropriate amount to Deposit Account No. 50-0872.

Respectfully submitted,

Date 6 July 2001
